

## WOMEN STOLE THE BABY.

**BARROW SWEARS THAT HE WAS NOT IN THE PLOT AT ALL.**

When he found it out he determined to stand by his wife. This is the way he does it—tripped in his testimony—Stolen baby in Court—Identified by Carrie Jones.

The three kidnappers of the Clark baby were confronted in the Supreme Court yesterday with the baby who had been stolen. The baby was brought into court to be identified.

Hella Anderson, known as Carrie Jones, the nurse-girl, went on at the opening of court with her narrative of the kidnapping. From the furnished room in Brooklyn to which she and Mrs. Barrow first took the child they went, she said, to Jersey City, where they met Barrow in the Erie Railroad station, and accompanied him on the train going to Slottsburg, Rockland county, taking the child with them. Barrow left the train at Paterson. At Slottsburg the others stopped over night in a dwelling house, and next day they drove to Johnstown and went to the home of a woman named Mrs. Barrow, who was the wife of the man who had introduced the witness as Mrs. Barrow.

## COLORADO SMELTER STRIKE.

**From 10,000 to 15,000 Men Out Yesterday—No Change in the Situation.**

DENVER, Col., June 15.—The smelter situation shows practically no change to-day. While there is a probability that the men and smelter managers may get together and patch up an agreement, there is no chance for such action inside of a week or ten days. The conditions as they now exist show that there are fully 10,000 smelter men and miners out in the various camps, and this number will soon be augmented by probably 5,000 miners, as many big properties, such as Smelter, at Aspen, the Gold Coin, at Victor, and most of the mines at Leadville are shutting down to-day, and all the mills of the American Smelting and Refining Company are closed.

Outside of the trust are two independent smelters of large capacity owned by David H. Moffat and Simon Greenbaum and located at Leadville. These two smelters are the only ones of smelter plants in the Copper Creek district and other parts of the State. These will be kept in operation.

Mr. Moffat, who is one of the heaviest mine owners in the State, got out of his mine to-day, and it is believed that his mission is to try to induce the head men in the Smelter strike to effect a compromise with the trust.

At the office of the American Smelting and Refining Company, it was learned that the company had on June 15 made an advance of 10 percent in the wage rate per hour. The men had refused to accept the offer, and it was believed that the company would make another advance of 10 percent in the wage rate per hour.

It is stated that lead ore has been scarce for some time, due to the fact that the mines at Leadville are shutting down. The mines at Leadville are the only ones of smelter plants in the Copper Creek district and other parts of the State. These will be kept in operation.

## CUBANS IN NEED OF MONEY.

**MANY VETERANS NOT ON THE ARMY LIST ARE IN WANT.**

Cannot Collect the Award—Gomez Blamed, Gen. Brooke's Responsibility—Gen. Brooke's Orders for Pensions to 150 of Them.

Special Cable Dispatch to The Sun.

HAVANA, June 15.—One hundred and fifty Cuban soldiers presented themselves at the Salon Trocha to-day and told Gen. Brooke that they had come to receive payment. They had found no paymaster at La Puntilla, and had come to Gen. Brooke for information regarding their pay. They said it was a great sacrifice for them to come to Havana from the country, and that they had endured many hardships.

Gen. Brooke commissioned Major Kennon to talk with Second Lieutenants Juan Dilon and Pedro Garcia, who led the Cubans. Major Kennon told them that it was impossible to pay the men at the Salon Trocha, as there are no lists there, and that they would have to wait until June 24, when payment would be resumed at La Puntilla. Gen. Brooke gave the Cubans an order to return to their homes, and to wait for their pay.

The soldiers were satisfied with Gen. Brooke's decision of their case, and said that Gen. Brooke was responsible for all their trouble. Subsequently they went to the Quinta de los Molinos to see Gen. Gomez, but were informed that he could do nothing for them.

Some 800 Cuban soldiers are in Havana, willing to surrender their arms and receive their pay. But as the soldiers are not on the list, despite the fact that they are veterans. They say that many men are on the lists who joined the army after the peace protocol was signed.

There was a row at Guanajay yesterday because 500 soldiers who were on the lists were not paid because they did not surrender their arms. They threatened to make trouble. Col. Balse has been ordered by Gen. Brooke to pay these men. Col. Balse will also begin payments at Pinar del Rio, Consolacion del Sur, Pinar, San Cristobal and Artemisa.

Gen. Brooke signed an order for the payment of the First Second and Third Corps of the Cuban army at Pinar del Rio, Consolacion del Sur, Pinar, San Cristobal and Artemisa.

The men will receive their money from June 15 to July 27. Col. Richard Canab of the First Infantry has been assigned to pay the First and Second Corps, and Col. Edward Mole of the Third Infantry has been assigned to pay the Third Corps. The lists were delivered to-day by Capt. Pace of Gen. Brooke's staff to Paymaster Dodge, who will go with Col. Canab and Mole.

The Secretary of Public Works has proposed to Gen. Brooke the building of roads in Pinar del Rio at a cost of \$400,000.

Gen. Brooke has received a despatch from Major Hafferty, who is now at Santa Clara, saying that there are 2,000 soldiers belonging to the Cuban brigade at Remedios, and that only ninety of them are on the lists. Major Hafferty adds that it is impossible to pay the brigade from the lists. He has been ordered to make a list of the soldiers, and to pay them.

The Audencia has discharged Dr. Joffile, declaring that he is innocent of the charge made against him in connection with the death of Mr. Bick. The Audencia has also discharged Dr. Joffile, declaring that he is innocent of the charge made against him in connection with the death of Mr. Bick.

A great demonstration in honor of Gen. Gomez will be made by the Cuban National party when the General leaves Havana. It is believed that he will leave on June 24.

The Mayor and police court judge of the town of San Domingo, Santa Clara province, have been indicted by the Judge of Santa Clara on charges of fraud.

The strike of the cabmen ended to-day. Private Chelof of the Marine Corps has yellow fever.

Cuban soldiers have murdered Raimundo Martinez, chief of the rural guard at Consolacion, Santa Clara province. Martinez was a Spaniard.

First Gold in From Klondike.

SEATTLE, Wash., June 15.—The steamers Farallon and Alki from Skagway bring news from the Klondike to May 25, and also the first consignment of gold dust for the season.

The Yukon and Klondike rivers are in flood, and the boats are being driven down the river. The boats are being driven down the river.

Miners returning on the Alki report good luck and say that every bar coming by way of the Klondike will be worth \$20,000.

None estimate the output at less than \$20,000,000 this season.

The Northwest mounted police has discovered evidence of an organized band of highway robbers in the Klondike.
